# 1953-1954 FOREWORD

Time creates memories.

To the Seniors it is the recollections of their numerous experiences with the search of knowledge only begun. To the Juniors the past memorable events, but the most joyous expectations yet to be fulfilled. To the Sophomores a look at both the past and the future, midway along the loves and labors known only in academic undertakings. To the Freshmen a gateway of success and self-satisfaction upon which to build a life of achievement and value. To the Junior school it is the inspirations of those who have gone before and the faith of those who are to follow.

As time progresses to enrich your lives, we hope this record of the thrills and trials of your education provides for you enjoyable reminiscing.

LUTHER BURBANK VOCATIONAL HIGH SCHOOL  
1002 EDWARDS STREET  
SAN ANTONIO 4, TEXAS

Dear Graduating Class of 1954:

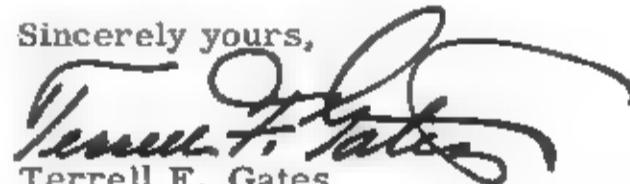

It is with sincere pride that I bid farewell to you, the fourteenth graduating class of Luther Burbank Vocational High School.

You leave not empty buildings and closed books, but a living school imbued with the spirit of your accomplishments. These accomplishments, emblazoned upon the walls of time, can never be expunged; they possess the permanence of eternity.

We of Burbank clearly recognize our debt to you for your unfailing devotion and loyalty, and we are confident in placing our country, our ideals and precepts in your hands.

As long as students such as you fill our classrooms, we shall have no fear of America's freedoms ever failing.

Led by their new head coach, Mr. Roy Wallace, and Coach Dan Davenport, the 1953 Bulldog team finished the season with a record of 3 wins and 7 losses. Getting started too late was the main fault of the Bulldogs as they dropped their first five ballgames. Their first win was a 31-13 victory over the Lanier Voks. Playing a game in the rain, the Bulldogs dropped their next game to Edison 26-0, who later became district champs. A heartbreaking loss to New

Braunfels, 12-7, and the Bulldog team came back to defeat the Tivy Antlers of Kerrville 14-7, in a very hard fought game. The last game was dedicated to the seniors, and the team didn't fail as the Bulldogs won a 19-7 victory over favored Seguin.

## 1953-'54 Basketball

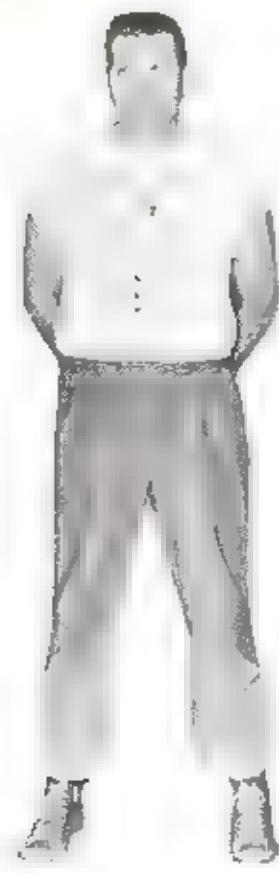

Coach Dan Davenport's inexperienced Bulldog five opened the 1953-54 Basketball season against strong opposition furnished by four 6-AAAA teams (Ray, Miller, Brackenridge, and Mercedes). In these four games the Bulldogs came out on the short end of the score. The first win recorded was against Sam Houston in the South San Tournament by the score of 70-48.

The Bulldogs became the surprise team in the San Antonio Invitational Tournament. They eliminated Laredo in an overtime 51-49, and upset Brackenridge 46-36. But as the story goes, "you can't win 'em all," the Bulldogs ran into tough Jefferson and lost by a score of 54-36.

Burbank opened the district race like they were going to run away from everybody. Winning the first three games from Seguin, Edison, and Kerrville. Then the Bulldogs ran "head on" into Lanier, Alamo Heights, and Harlandale. They lost to Lanier after a close battle 43-41. The Alamo Heights-Burbank game resulted in another loss for the Bulldog Five. Burbank also lost to Harlandale by a score of 55-47. After a 48-47 victory over surprising New Braunfels, the Bulldogs traveled to Victoria to meet the Patti Waelder High School Team. They lost this game 71-37. The Bulldogs met the Edison Bears, which had improved since their last meeting, at Alamo Stadium Gym in a high scoring game, but the Bulldogs came out on the short end of the score 68-53.

The Tivy Antlers of Kerrville beat the Bulldogs 60-46. The Bulldogs beat the Seguin Matadors in a close game 58-56. They lost the next three games to Lanier, Alamo Heights, and Harlandale. New Braunfels Unicorns became another victim of the Bulldogs by a score of 52-44. The Bulldogs finished the season in fine style, by beating the second place team, Victoria. They won this one by a score of 72-66.

Burbank's fine basketball coach, Dan Davenport named Gary Bell, Joel Horlen, Donald Hodges, Ralph Martinez, Lloyd Carter, Richard Arreguin, Antone Valadez, Dale Lusk, Roger Bryan, Larry Peabody, Richard Cortez, Charles Rouse, Joe Wilburn, and W. G. Wilson, Mgr. as lettermen of the Burbank Bulldog Basketball Squad of the 1953-54 Basketball Season. Gary Bell was chosen as captain of the team.

Above, Eugene Verstuyft, with one of the Herefords raised and fed by the Burbank Chapter.

Burbank's F.F.A. enters many livestock shows held throughout Texas. Below is shown Carl Pfieffer with one of our Duroc Hogs. Hogs were left out of the stock shows this year because of the fear of spreading hog diseases.

Joe Kunze, shown above with a calf which will be fattened and probably entered in different shows in years to come.

Back Row: R. Kappmeyer, V. Gallo, B. McAnally, G. McCully, L. Lassere, R. Pearce, J. Smith

Burbank is very proud of its Duroc Hogs. Shown at left is one hog with a litter that will probably win many blue ribbons in years to come

Also ranking high are Burbank's chickens. Here the boys are shown with a pen full of babies. Among these there are probably many prize layers, fryers, and Capons which, when full grown will sell for good prices.

Front Row: W. Hardie, B. Lossere, R. Joy, R. Lentz, G. Scudder, D. Hubley, E. Dolezal  
Back Row: D. Vance, J. Contreras, L. Henry, H. Flitt, J. Webb, J. Sutherland

Here is another steer ready for the San Antonio Fat Stock Show. From the looks of it, it has a mighty good chance to be a blue ribbon winner.

Having to work, boys? This is no idle comment on our farm. Since the boys take ag to learn they have to learn by doing.

The FFA has a variety of activities when they can forget their work and enjoy themselves. Above the boys are shown at a watermelon feast.

Burbank's proudest moment in the San Antonio Show came when their part Angus and part Brahma steer won the championship in its class and was sold for \$1,600.

Here is a picture of Burbank's entries in the San Antonio Fat Stock Show. As you can see, by the number of ribbons awarded our entries, we have an FFA Chapter of which we should be very proud.

## Y-TEEN PURPOSE

"To build a fellowship of women and girls devoted to the task of realizing in our common life those ideals of personal and social living to which we are committed by our faith as Christians.

In this endeavor we seek to understand Jesus, to share His love for all people, and to grow in the knowledge and love of God."

To grow as a person

To grow in friendship with people of all races, religions and nationalities

To grow in knowledge and love of God

## Y-TEEN SONG

If we can grow as simply  
As common blades of grass,  
Both tall and straight as trees grow to the sky,  
Then we can learn to know,  
To know and understand  
Ourselves and others—  
What we do and why.

We, the younger generation,  
Are striving now to build a better world.  
Peace and unity  
Freedom and brotherhood,  
These we have set to be our goal.

# *Future Teachers of America*

The first year of the Future Teachers of America at Burbank has been crowded with speeches, reports and field trips. Under the sponsorship of Miss Holbrook and Mr. Pieper 22 members of the F.T.A. visited San Antonio Junior College, and attended several dinner meetings with speakers in various fields. On January 30 the group combined both business and pleasure in an excursion to Cascade Caverns, where they outlined spring activities. Within a few years the club plans to expand their program so that the members will obtain actual experience in assisting teachers within the school.

## Band

THE BULLDOG BAND grows bigger and better each year. Burbank has been represented this year by the 115 member band shown above. This growth—not only in membership, but in equipment and in extra uniforms—was made possible by the wonderful support given the Band by the Burbank Administration, Faculty, Students and Band Sponsors.

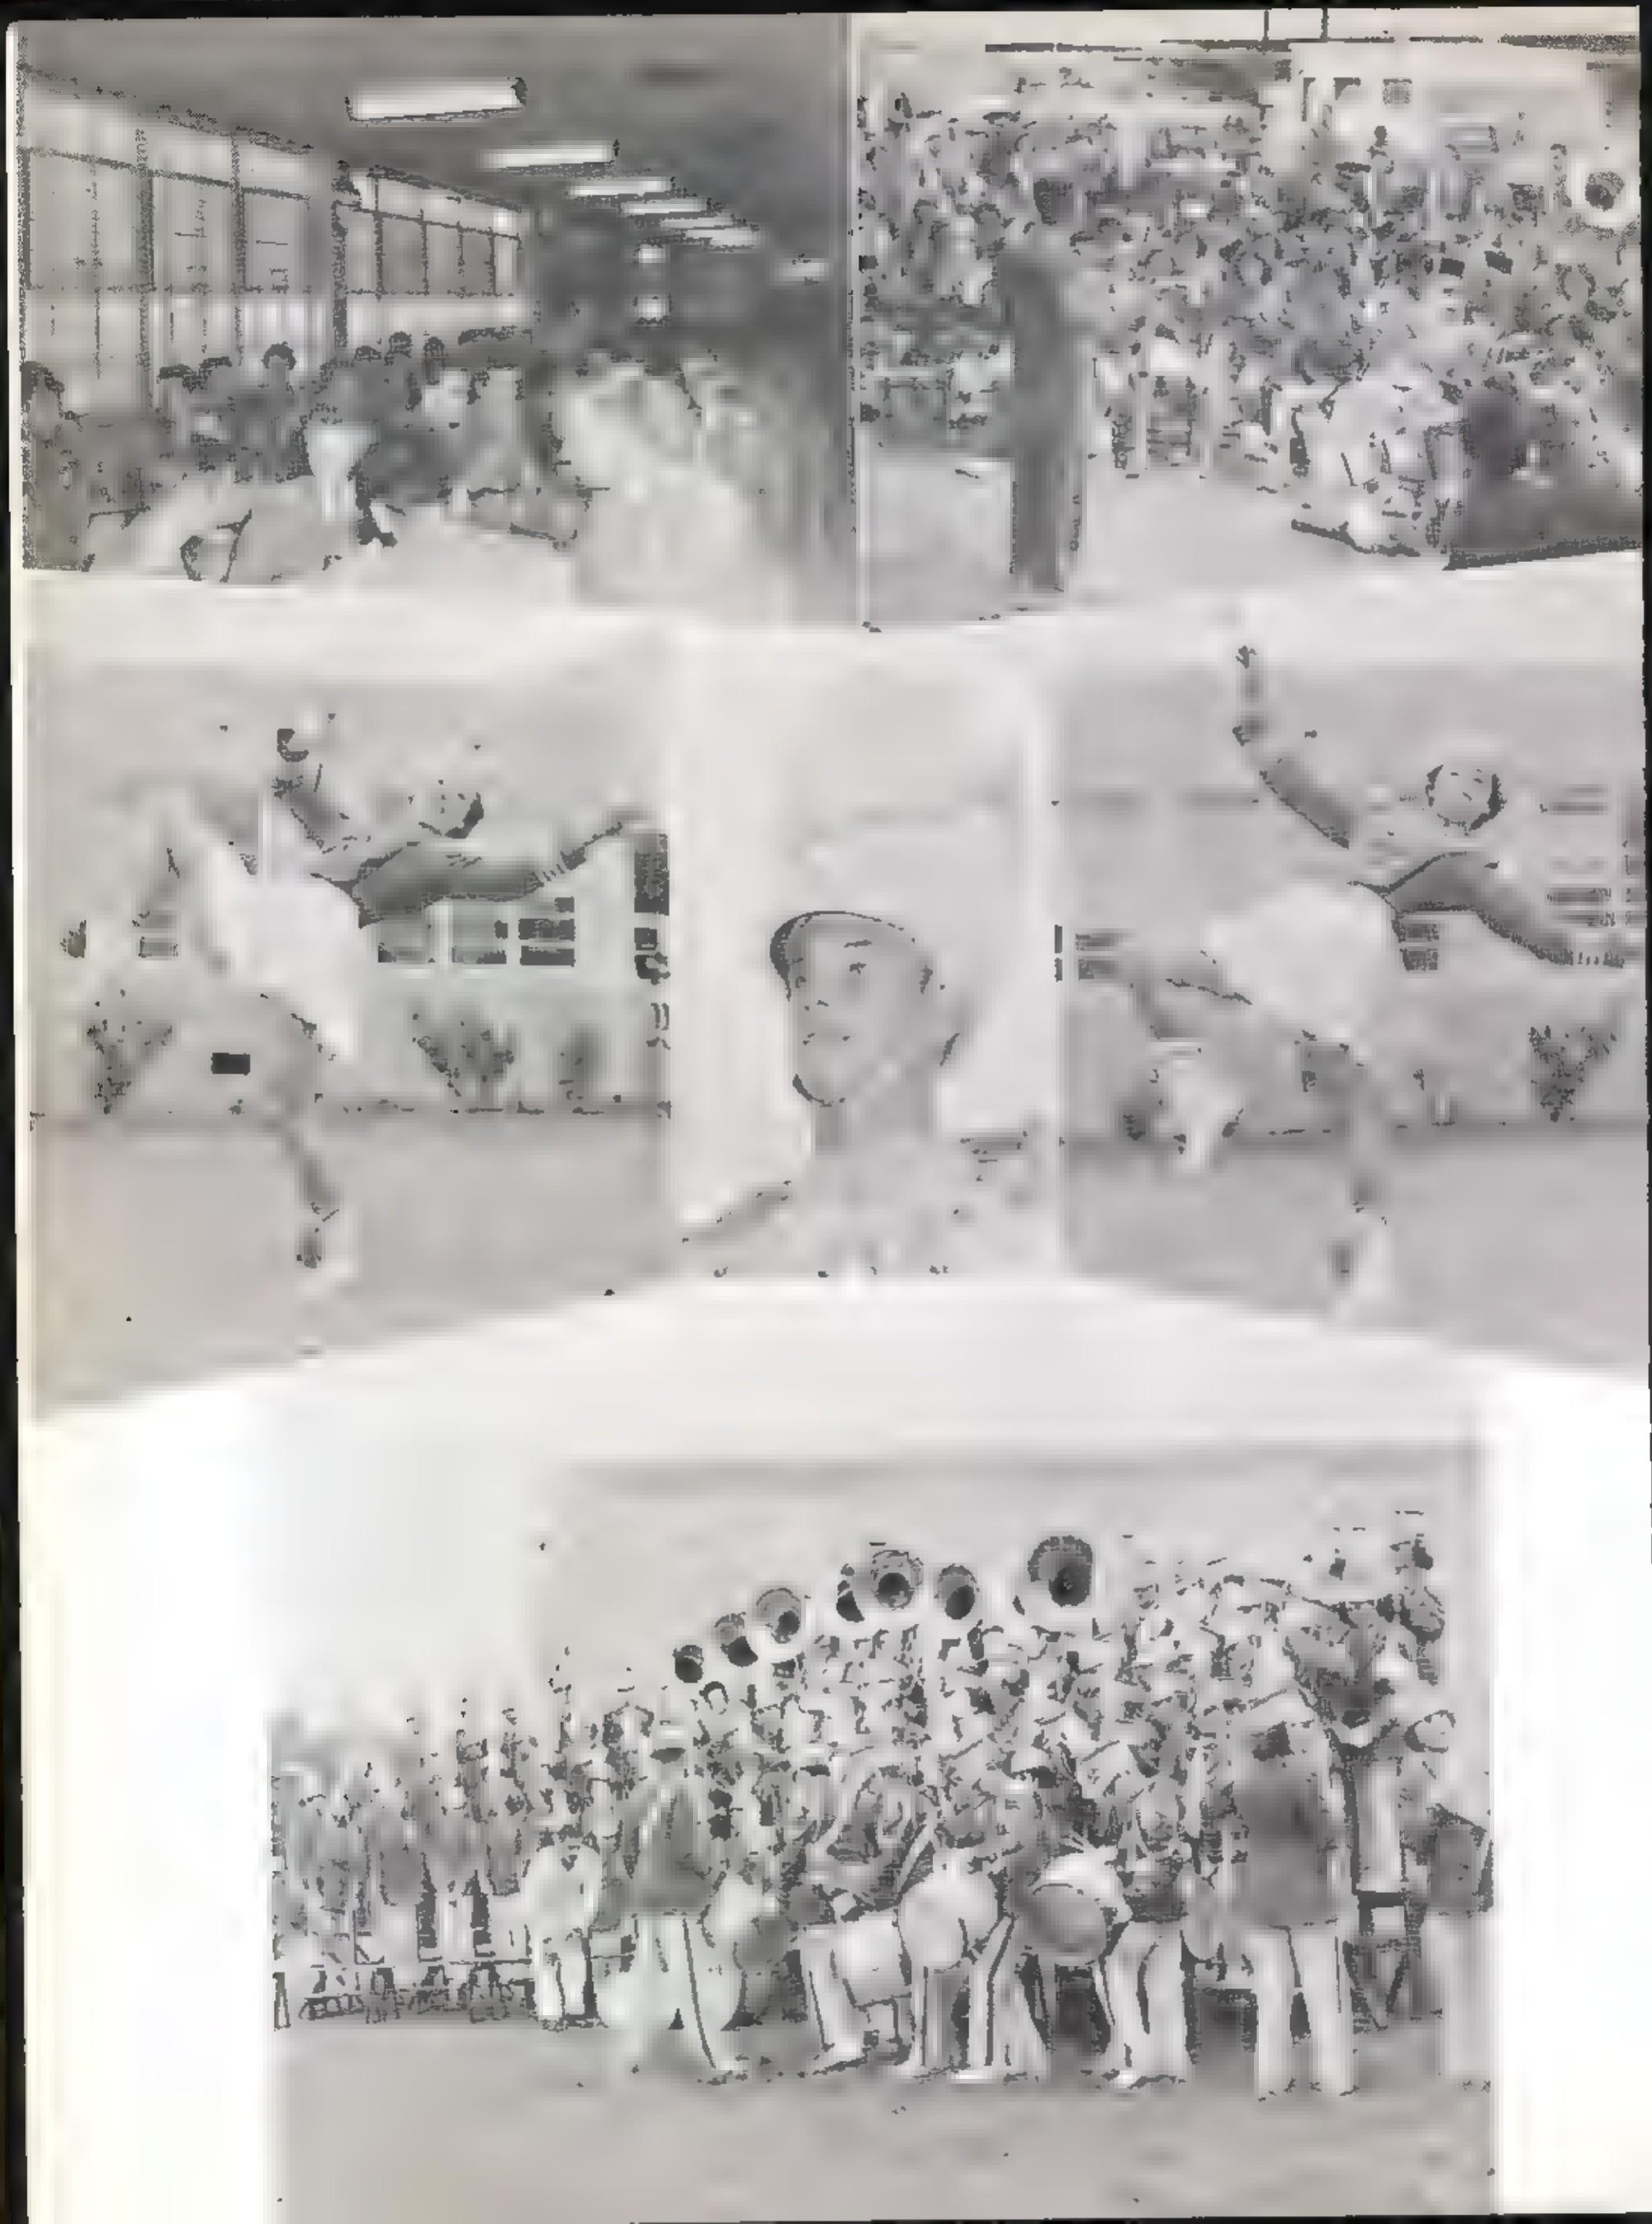

In an attempt to warrant this support, the Bulldog Band has appeared in nine football games, several street parades and assemblies, and participates in the University Interscholastic League Contests. The Annual Southwest Texas Vegetable Show, University of Texas Band Day, Livestock Show, Fiesta San Jacinto (Battle of Flowers Band Festival and Parade), Fiesta Flambeau, and Buccaneer Days (Corpus Christi) were the high-lights of these appearances.

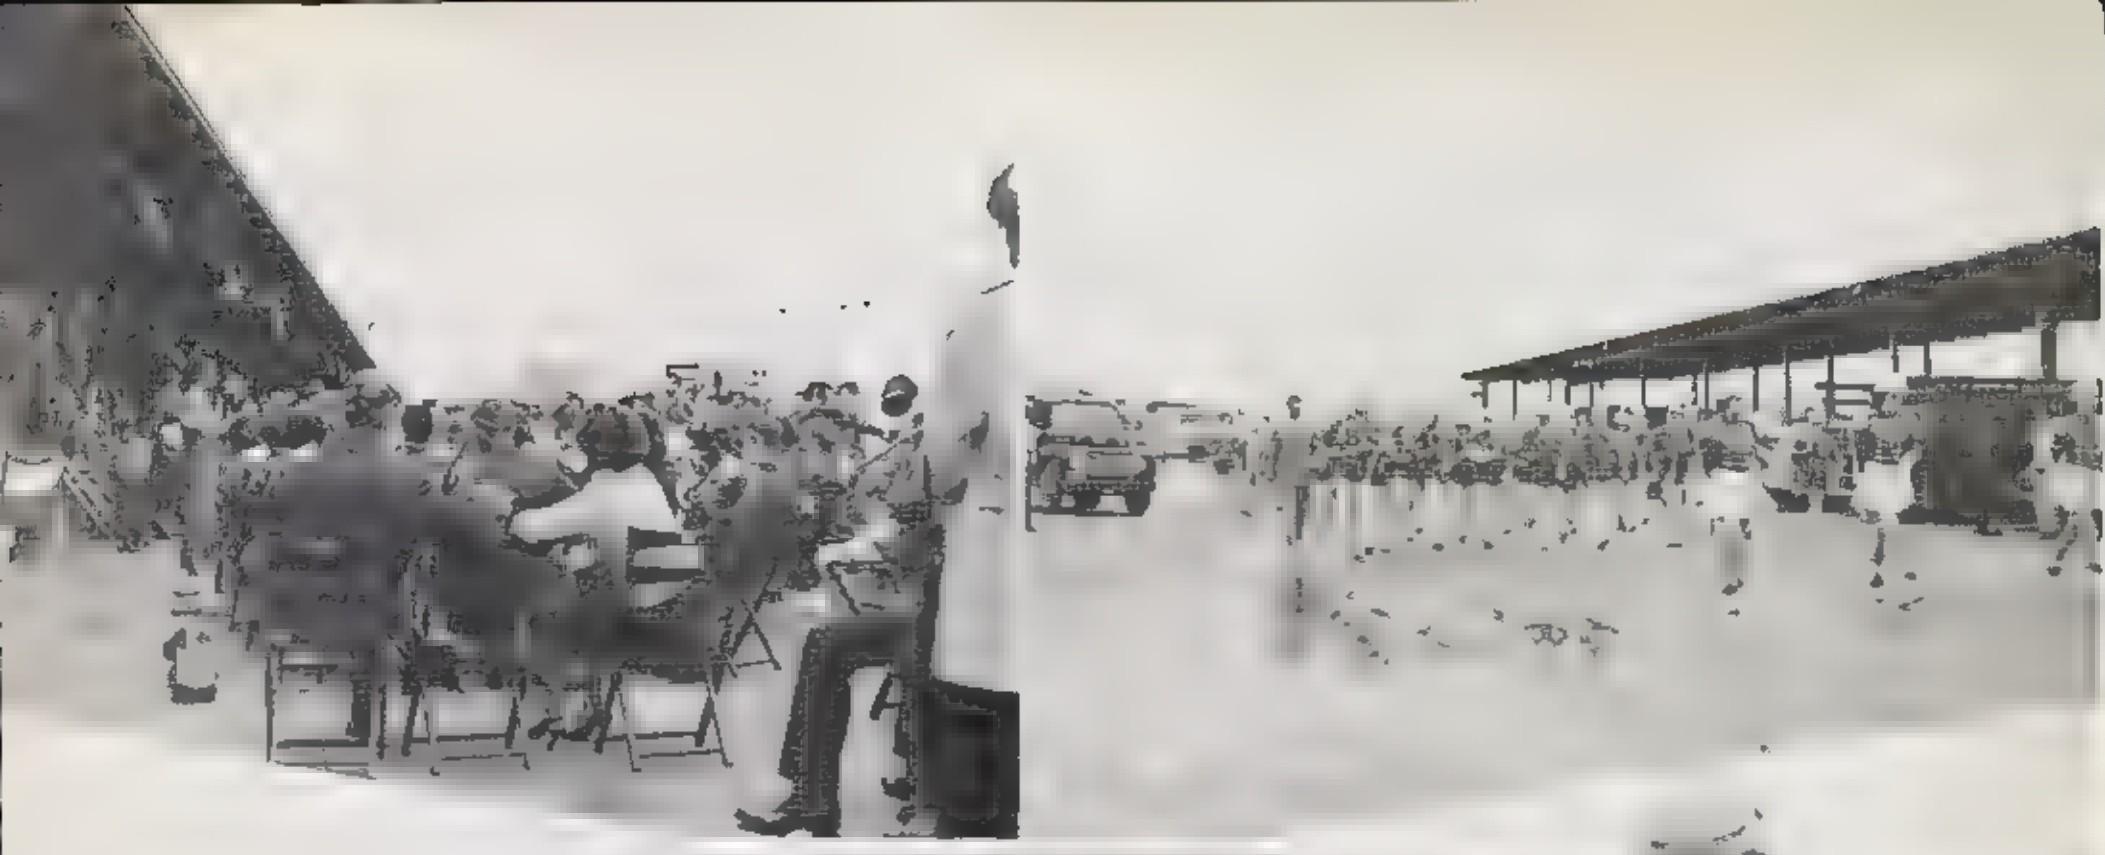

Individual members of the Band have placed in the All-District, All-Regional, and All-State Bands, as well as the San Antonio Music Festival's All-City Junior and High School Bands, and the Youth Symphony. Majorettes returned from competition in New Braunfels with a first-place plaque and medals—and earned a combined total of 12 first-division medals in the Marching Contest.

The Campus Comment, the student publication of Burbank High School, has just completed one of its most successful years.

Mr. Robert Ables completed his first year as sponsor of this paper.

Johnell Franklin and Charles Bode served as co-editors.

The big events of the year were the annual assembly held on January 13 which featured teachers' talent and a dance which featured jazzy music.

Four students and the sponsor journeyed to Denton, Texas for the annual Journalism Convention. In Denton the paper won two awards for its cartoons.

THE RESERVE OFFICER TRAINING CORP is offered as an academic course to male students starting at the age of 14 years. Boys are organized into companies with their own commanders and sponsors. Best qualified members are chosen to compete with other schools in the Drill and Rifle Teams. The R.O.T.C. patrols the halls and acts as honor guards at football games. The organization represents Burbank in city wide festivities. The Military Ball held in December was the big social event of the year.

## SPECIAL EVENTS

# *Yea Team!*

Two words we all remember.  
How often they were yelled  
at our football games. Not  
only by the cheerleaders  
shown at the left, but by  
the pep squad, the band,  
and the whole student body

The first game of the year was at Kingsville.  
The captains, Gragg and Bell, made their  
farewell speech —

the boys packed their equipment, carried  
it to the waiting bus, the students wished  
them luck, and they left, knowing we were  
behind them.

Victory was our cry when the boys went to Victoria. Even though the students couldn't make the trip, they sent their hopes and cheers.

We remember our coach who has worked hard to develop a winning team.

Football isn't just a game that is fun to play; it is hours of hard work and practice. There are things to learn and problems to be worked out, before the team is ready for the actual game.

Here are a few of the students at the snack bar on the train.

A circus always brings laughter and thrills to people all over the world. Our annual Halloween Carnival, held in October, had for its theme, Circus Daze.

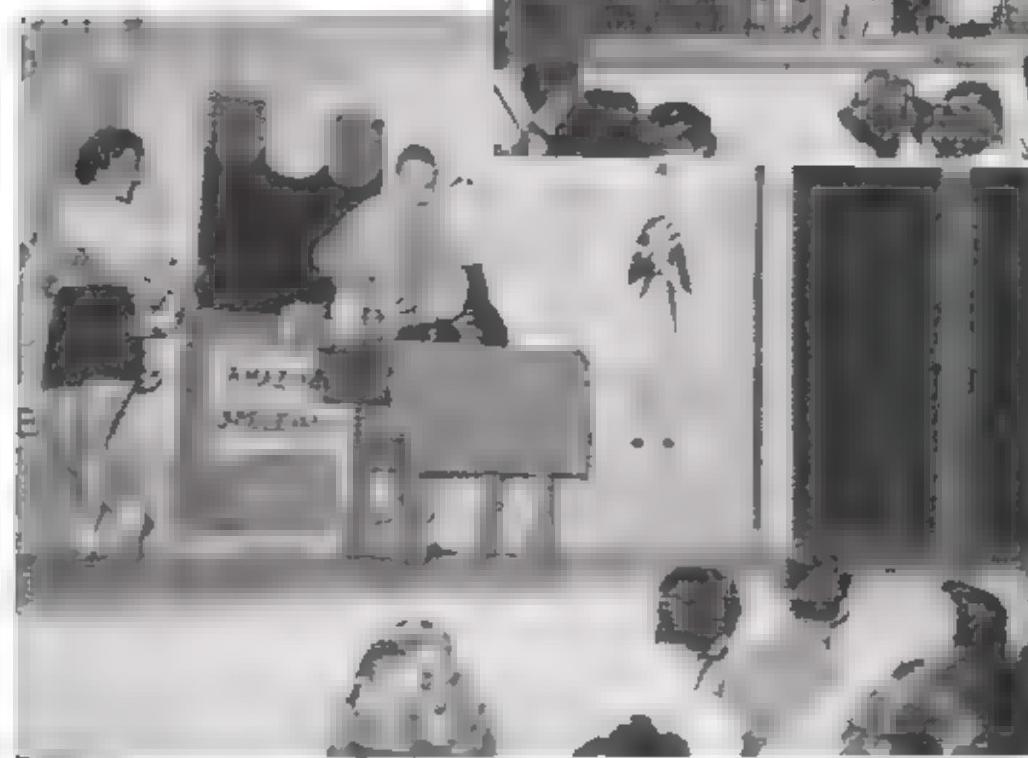

The variety show has tried to capture the excitement of the big top. Each act was put on by students and pertained to some phase of circus life.

In a circus you usually see such things as aerial artists, lion tamers, and always the clowns

The circus would never be complete without a few tumbling acts. Burbank students did a very good job of bringing you the thrills and excitement of this type of act.

Did we mention clowns? Here is a supposed magic act but if we knew the usual type of clown, there is no magic.

Below: Here is a great scene of America. The Indian War Dance. It was portrayed very good in a special act during the variety show.

Above: Curtain call. Where you see all the performers at once. It is a thrill, especially for the ones doing their best to please the audience.

Freak shows, snake charmers, sword swallowers and a number of other interesting spots were found on the circus grounds.

Our own Burbank carnival had its Private Marriage Bureau. Below is shown Billy Jo Tart and James Ellis after taking their vows.

# Carnival Capers

The Barkers try to promote their "Marvels" to which only the "carny folk" know the answers.

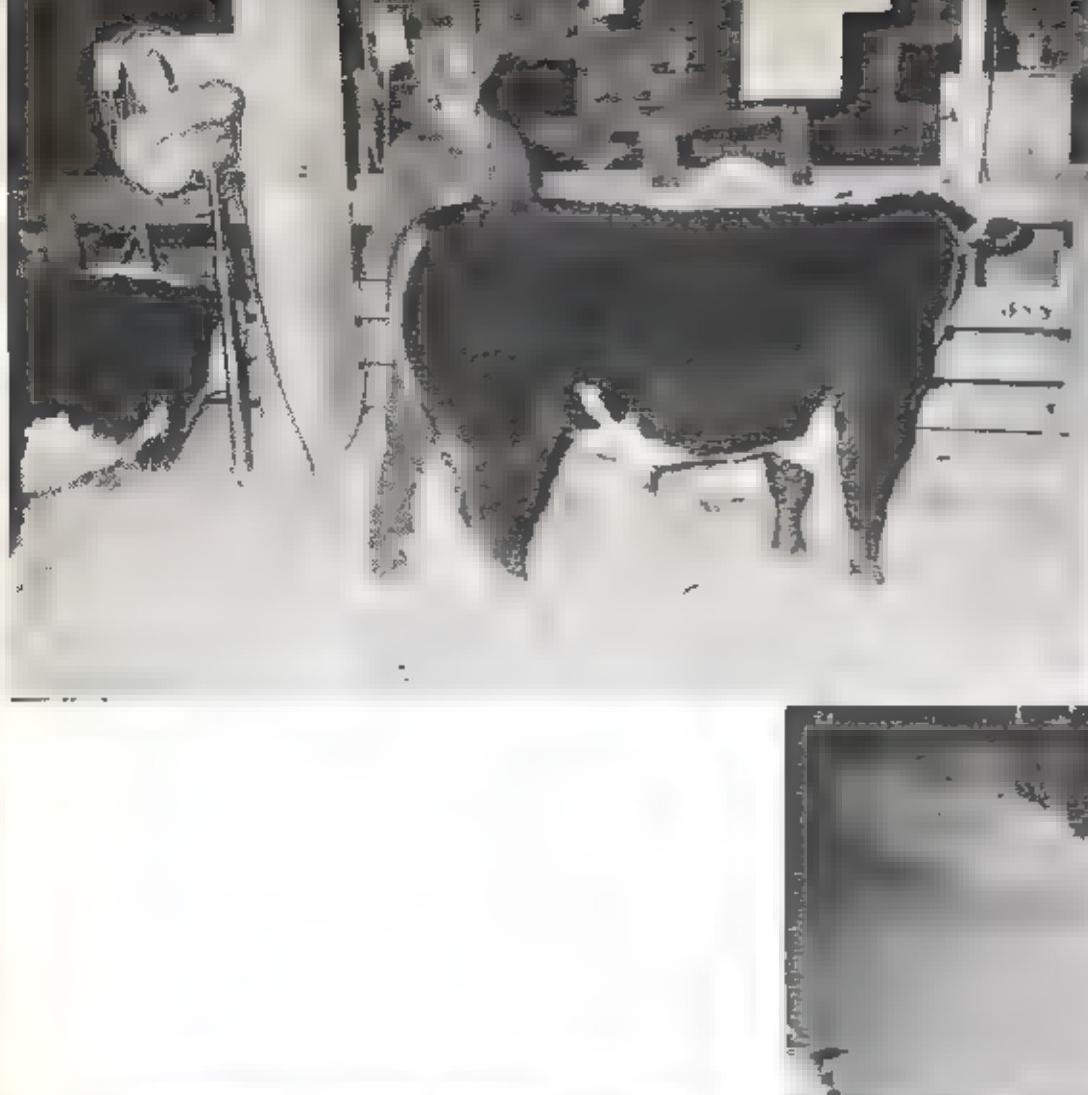

There are many things to do on the carnival grounds. Horses to ride, grab bags to grab and dips to dip.

There are monkeys who continually show off with handstands, or lions demanding food, and all the while the silly people stand around gaping.

The Stock Show and Rodeo held in February is remembered by all the students as well as the F.F.A. boys.

In this show, many ribbons were awarded our boys, which proves they are continuing their good work.

The boys enjoy camping trips such as the one pictured at the left.

## Farm Fun

The F.F.A. and the F.H.A. had a joint hayride in October at Mission County Park. Everyone had lots of fun.

**FACT!**

*Lots of Luck to a girl  
who I have enjoyed going to  
school with. Edolye Garrett.*

*As you turn these pages today, or on 54*

*some tomorrow, you will re-live the won-*

*derful times you had "back in the good  
ole' days" at your Alma Mater. With the  
passing of years this annual will become a  
priceless treasure-train to whisk you back  
along memory lane to rejoin your old friends  
and re-visit familiar places.*

*As we at USECO turn these pages, we see the  
America of tomorrow, the farmers, the lawyers,  
the doctors, and the many trades and professions  
so ably represented within these pages. We are hon-  
ored to have played a part in recording this pictorial  
history of your 1954 school days . . .*
